### RO FEED WATER & RO 3RD STAGE REJECT WATER ANALYSIS REPORT

Dear Sir,

Please find below the water analysis results for Shree Prakash Textiles. The measured parameters for the submitted samples are presented for your review.

| PARAMETER | UNIT | RO FEED WATER | RO 3RD STAGE REJECT WATER |
|-----------|------|---------------|---------------------------|
| P0        | Mg/L | 1             | 2                         |
| P1        | Mg/L | 1             | 2                         |
| P2        | Mg/L | 1             | 2                         |
| P3        | Mg/L | 1             | 2                         |
| P4        | Mg/L | 1             | 2                         |
| P5        | Mg/L | 1             | 2                         |

#### REMARKS

- The RO reject water shows higher TDS.

For,
